

This branch has been part of Enns Brothers since 1998 and moved to a new facility in 2004.

Located in the heart of the Interlake, 100 kilometers north of Winnipeg, this location offers an amazing quality of life. If you love the outdoors, check out Arborg for an adventure in every season.

Arborg has a population of approximately 1,152 and was originally part of the rural municipality of Bifrost until they separated in 1964.

The town is large enough to provide comforts, but small enough to maintain a sense of community and small town hospitality.
