

The Neepawa branch has been a part of Enns Brothers since the merge with Countryside Equipment in 2008. In 2010, the construction of a new service shop was completed.

This town of 4,000 has an economy reliant on agriculture; Neepawa serves as a major agricultural service center for many producers in the region.

Neepawa is located between Riding Mountain Nation Park, Duck Mountain Provincial Park, and Spruce Woods Provincial Park, providing plenty of recreational activities for every season.
