

This is our flagship store and has been in operation since 1961. Enns Brothers was moved to Oak Bluff, just outside of Winnipeg, after the original location opened its doors in Sanford in 1953.

This is our largest service center and largest service department; our service technicians at this location have over 200 years of experience with John Deere equipment, collectively.

There is also a well-stocked parts department, equipped with John Deere accessories and clothing.

ENNS BROTHERS

Oak Bluff, Manitoba

McGillivray at the Perimeter Highway
T: (204)895-0212 | F: (204)895-2765

This location sells and services a variety of John Deere agricultural and turf equipment. Powersports and Stihl equipment are also available here.

Careers in Oak Bluff include: territory sales, powersport sales, parts professionals, shipping/receiving service technicians and apprentices, GIS/GPS graduates, precision agriculture, agronomists, service advisors, yard helpers, and administration.
