

The Steinbach location has been part of our company since Enns Brothers merged with Deer Country in 2010.

Steinbach is Manitoba's third largest city, boasting a population of approximately 13,000 residents. From the Aquatic Center to the Cultural Arts Center, to numerous parks and fitness facilities, there is no shortage of recreational activities, no matter the season.

Steinbach is more than a place to shop or do business, it is a place to live and a meeting place for friends and family with many activities and events to keep you occupied.
