

The Powersports store opened in 2008 and is dedicated to making sure you enjoy yourself outdoors. This location has all the latest equipment from Ski-doo, SledNeck, Billabong, and Oakleys. This is a high energy place to work.

With various backgrounds and skills, the employees at this location are experts in helping customers purchase the right products for their next adventure.

Summer is when Manitoba shines; we get more sunny days than most other provinces and boasts upwards of 100,000 lakes within its borders.
